

DISABILITY POLICY

1st Bourn Scout Group is a fully inclusive group, and we believe that no young person should receive less favourable treatment on the basis of, nor suffer disadvantage by reason of, disability. As for all members of the Scout Group, we aim to set achievable goals, appropriate to each individual's abilities. As parent/carers, you are the expert in your child, and we would like to work in partnership with you to ensure that we understand what is required practically and that your child's experience is as full as it can be. We will aim to make all reasonable adjustments to allow your child to participate in all activities wherever possible. Sometimes we may ask for a little extra support to enable your child to participate in an activity which we feel may be especially challenging or potentially unsafe for them. Please feel free to give us as much information about your child as you feel comfortable with; this will help the Leaders when planning events. All information provided by you will be treated confidentially and will only be shared with adults who need to know.
